Friday 3 December is the day of the Academic Celebration 2021 at Karlstad University. Our new professors are introduced and talk about their research and its benefits to society in Lerinsalen at Karlstad CCC. The programme continues with an open seminar with this year's honorary doctors, moderated by Martin Grimberg Löfgren, Head of Karlstad Business School.

I Both staff and students are warmly welcome, but according to the government's decision, a vaccination certificate / EU digital covid pass or PCR test that is at most 72 hours old and pre-registration to attend the event are required. People under the age of 18 do not need to present a vaccination certificate but must be completely symptom-free. There are a limited number of seats - first come, first served!
